Press Release

Frankfort Youth Commission Debuts “Spiritwear”

Frankfort Youth Commission members modeled new Frankfort “spiritwear” at the August 3 Frankfort Village Board meeting. Youth Commission members created the clothing designs to promote the Frankfort community in a manner similar to clothing designs that support schools, sports teams or events.

The designs include a collage of Frankfort landmarks, the village name and incorporation date and a 60’s theme design with the word Frankfort. The designs are applied to shirts, sweatshirts and a tote bag. The items will be sold to cover costs at \$10 for the shirts, \$7 for the totes and \$38-\$42 for the sweatshirts.

“This clothing provides an opportunity for our residents to demonstrate pride in their community. We thank the Youth Commission members for their creative work on this project,” commented Mayor Jim Holland.
