Village of Frankfort

Press Release

Work Zone Laws in Effect - Route 30

The Village of Frankfort and the Frankfort Police Department would like to give a friendly reminder regarding work/construction zone laws. Route 30 (Lincoln Highway) is marked as a work zone while the construction is underway. ***The speed limit at all times is now 35 miles per hour.*** Speeding violations may result in a \$375 fine.

In the last two years, laws were passed in Illinois making it illegal to text while driving, and to use your cellular phone while driving through construction/work zones and school zones. Therefore, cellular phone usage on Route 30 is prohibited.

Please be careful while driving in work zones and remember the laws listed above.

“We urge our residents and all motorists to use extra caution along Route 30 to insure a safe highway during this construction period”, commented Frankfort’s Mayor Jim Holland.

If you have any further questions, please call the Frankfort Police Department at (815) 469-9435.

For Immediate Release – September 6, 2011
