## Village of Frankfort “Villager” Newsletter Receives Award

The Village of Frankfort is proud to announce that they have received a silver “Communicator Award” from the International Academy of the Visual Arts for the Winter 2008 edition of their quarterly newsletter, *“The Frankfort Villager”*. The 2009 “Communicator Awards” featured a pool of over 7,000 entries and is the largest and most prestigious award of its kind. A copy of the newsletter was submitted to the Academy by Vicky Cullen of “On Time Design”, the graphic design firm that works with the Village of Frankfort on the newsletter. The quarterly newsletter is mailed to each Village of Frankfort resident.

“We are very pleased to receive this award for our newsletter. The “Villager” is an important communication tool for our community, relaying information about our services, events and the overall operations of the Village to our residents. More importantly, it offers an opportunity for our residents to provide feedback on important issues to the Village Board and Village staff so we can respond to their needs,” commented Frankfort’s Mayor Jim Holland.
