Village of Frankfort

Press Release

Village of Frankfort and Will County Offer Electronic Recycling

The Village of Frankfort is joining with Will County and Vintage Tech to offer electronic recycling collection to all homes within the Village. This is a FREE service and available to all residents with first floor entrances.

Items accepted include: computers, laptops, monitors, printers, TV's, telephones of all types, answering machines, mouse, keyboard, zip drive, computer cables, string lights, microwaves, FAX machines, scanners, MP3's , PDA's, video game consoles, video cassette players/recorders, DVD players and more. There is a limit of 10 items per service call, but another service date can be arranged when needed.

Drop-off services will remain available for apartment residents or those without front-door access. Please call 815-727-8834 or check the Will County Green website www.willcountygreen.com for details. **Please do not call the Village for pick up arrangements.**

Some electronic items will be banned from landfills at the end of this year. These items contain valuable resources and in some cases, hazardous components that should be recovered. Manufactures are paying to fund this pilot program. You no longer need to discard unwanted electronics.

For Immediate Release - December 20, 2011
